Helpers will be at the Cathedral to assist in unloading your car. Exhibitors will have to park cars nearby as there is no onsite parking available (only disabled).

Each tree will be allocated a space which is determined by the size of the tree i.e. smaller trees will be on tables etc. and all trees must be properly balanced and standing in a stable manner.

As the event is in a church, no tree should contain any inappropriate displays and the committee has the right to refuse a tree that may not be suitable for the environs.
