ABOUT US

For some, we're a business partner and mentor. For others, we're a source of information and contacts. For all, we're a business champion. That's because we're the no. 1 supporter of business in Waterford. Our job is to drive the business agenda, the development agenda and the Waterford agenda. We're passionate about the city and want to make things happen.

It doesn't matter if you're a start up or established business, everyone needs help and support from time to time. And that's where we come in. We connect people and create opportunities. We offer advice, training and support.

Waterford Chamber also operates the Tourism Information Centre in Tramore and is an integral part of the vibrant business community in the seaside town.

1. AMPLIFIED ADVOCACY AND COLLECTIVE INFLUENCE

Key Message: Together our voices are stronger.

Being a member of the Waterford Chamber means joining a collective that advocates for business-friendly policies on local, regional, and national levels. As part of a unified group, your business gains a more powerful voice in shaping legislation and economic policies. The Chamber actively lobbies on behalf of its members, ensuring that the concerns and interests of businesses are heard by policymakers. This collective influence is vital in creating a favourable business environment, which benefits all members and the wider Waterford region.

Being a Chamber member enhances your businesses credibility and visibility. Members are often featured in Waterford Chamber's publications, weekly newsletter, website, social media channels and *Network* magazine. Additionally, being part of a respected organisation signals to potential customers and partners that your business is reputable and committed to the community. The Chamber's endorsement can be a powerful tool in attracting new business and retaining existing customers. Like any organisation, critical mass is vital, so your membership also strengthens this message.

4. ACCESS TO RESOURCES AND EXPERTISE

Key Message: Leverage our resources to strengthen your business.

Membership provides access to a wealth of resources and expertise that can help your business thrive. This includes educational workshops and training programmes from Waterford Chamber Skillnet, as well as seminars and breakfast briefings on a variety

of topics, such as marketing, finance, and regulatory compliance. The Chamber also offers valuable market research, economic data and business development tools. By leveraging these resources, you can stay informed and competitive in your industry. By contributing, you can ensure your voice is heard and forms part of the message we then present on your behalf.
